fries with dill dip \$7 rotating dessert \$11 fries with sriracha aioli \$7 Salamat cookie \$5

truffle fries \$10

Salamat brownie \$6

### garden table

beet, carrot, apple, celery, lemon, turmeric, ginger, black pepper

We call this the gateway juice because it's vibrant, sweet, soothing, and approachable. Beets oxygenate and strengthen the blood, carrots ward off infections with their abundance of vitamin A, lemon and celery detoxify the liver, turmeric reduces inflammation, and ginger calms the nervous system. The hint of black pepper does more than complete the flavor profile, it supports absorption of the fresh

orange, carrot, apple, lemon, turmeric, ginger

Not your common orange juice, this lively blend is the ideal morning starter, brimming in vitamins and antioxidants. Boost your immune system with an abundant amount of Vitamin C combined with anti-inflammatory turmeric.

filtered H2O, lemon, maple, ginger, activated charcoal, cayenne

Flush your system with powerful detoxifying agents to reduce bloating and cleanse the liver. Feel energized from the natural sugars in maple syrup. Be sure only to drink Detox Dream on an empty stomach, as activated charcoal is like a sponge, and will disrupt the absorbency of nutrients from your food as it pushes the toxins out.

#### cashew concoction \$10

filtered H2O, coconut water, cashew, spirulina, maple, vanilla bean, Himalayan pink sea salt

A luscious blend of raw cashews, hydrating coconut water, sweet maple syrup, as well as mineral-rich and detoxifying spirulina provide a boost of protein and essential fatty acids that help to repair tissue, regulate blood sugar levels, and promote satiety. A pinch of pink sea salt promotes circulation and pH balance, and deepens the intoxicating flavors of this creamy beverage.

#### hoosier heater \$9

apple, orange, spinach, kale, cilantro, jalapeño, lime

This sweet and spicy blend revs your metabolism, shifting calorie burn into high gear. The citrus promotes a strong immune system and aids in tissue repair. jalapeño stimulates circulation, and cilantro strengthens your bones.

#### tropic tonic \$9

pineapple, kale, spinach, parsley, lemon, aloe, mint

This refreshing, tropical, and enzyme-rich tonic supports gut health with its heavy dose of pineapple's bromelain enzyme. Parsley oxygenates the blood to enhance circulation, and fresh aloe juice supports hydration, digestive regularity, and brings a healthy glow to your skin.

#### emerald elixir \$9

romaine, cucumber, celery, kale, spinach, lemon, ginger, turmeric, Himalayan pink sea salt, black pepper

Our take on green lemonade is tangy, crisp, and thirst quenching. The greens pack in antioxidants and enzymes, lemon detoxifies the liver and brightens skin, and ginger and turmeric reduce inflammation. Not only does Himalayan sea salt add vibrancy and tame any notorious "green" after taste, it promotes balanced pH. The black pepper aids in turmeric absorption.

#### lush love \$9

watermelon, ruby red grapefruit, coconut water, lime, basil

Refreshing and slimming due to a robust metabolism rev, this sweet and aromatic juice revitalizes while boosting immunity and heart health. The subtle hint of antioxidant-rich basil is a compatible counterpart to succulent watermelon and coconut water.

cold pressed juice flight \$13

Four 5oz pours of your choosing
